## CHANGES TO MASK SETTINGS ON PUBLIC TRANSPORT

"From 11:59pm, Thursday 22 September, masks are no longer mandatory to wear on public transport or in taxis, rideshare services or tourism vehicles.

Masks continue to be strongly recommended in indoor settings, in situations where people can't physically distance, for people who have COVID symptoms and for anyone who may be immunocompromised or vulnerable to COVID-19.

Masks are still required in some circumstances, such as visiting a hospital, care facility or any other indoor space that is publicly accessible in a healthcare setting, including allied health providers.
