## MABADILIKO YA MIPANGILIO YA MAZINGIRA YA UTUMIAJI WA BARAKOA KWENYE MAGARI YA UMMA (KISWAHILI)

Kuanzia saa 11:59 usiku, Alhamisi 22 Septemba, si lazima tena kuvaa barakoa kwenye magari ya umma, kwenye teksi, katika huduma za wanaoshiriki katika usafiri au kwenye magari ya watalii.

Barakoa zinaendelea kupendekezwa katika mazingira ya ndani, katika hali ambapo watu hawawezi kujitenga kimwili, kwa watu walio na dalili za COVID-19 na kwa mtu yeyote anayeweza kukosa kinga au aliye katika hatari ya kuambukizwa COVID-19.

Barakoa bado zinahitajika katika hali fulani, kama vile kutembelea hospitali, kituo cha utunzaji au sehemu nyingine yoyote ya ndani inayoweza kufikiwa na umma katika mazingira ya huduma ya afya, ikiwajumuisha watoa huduma wa afya washirika.

## CHANGES TO MASK SETTINGS ON PUBLIC TRANSPORT

"From 11:59pm, Thursday 22 September, masks are no longer mandatory to wear on public transport or in taxis, rideshare services or tourism vehicles.

Masks continue to be strongly recommended in indoor settings, in situations where people can't physically distance, for people who have COVID symptoms and for anyone who may be immunocompromised or vulnerable to COVID-19.

Masks are still required in some circumstances, such as visiting a hospital, care facility or any other indoor space that is publicly accessible in a healthcare setting, including allied health providers.
