- Plan ahead this summer and consider the following tips to ensure you can enjoy the festivities safely.
- Plan your party or family gathering outside when possible
- Get tested if you have symptoms or you're going to a party or family gathering
- Keep homes well ventilated with windows and doors open
- Wear a high-quality mask, especially where you can't physically distance from others
- Isolate for at least five days and until you have no symptoms
- Check if you are eligible for COVID medicines
- Get your next vaccine dose.
- Protecting yourself is the best way to protect yourself and the community. If you don't get COVID, you can't spread COVID.
