STAY SAFE

AMMAANKA JOOGO (SOMALI)

Adduunyada isbedelku qabsaday, maanta ayaynu isugu nimid.
Si loo faafiyo wacyigelinta suugaanta.
COVID, duufaan aamusan, ayaa carqaladaysay nolosheena,
Laakin midawnay waanu taagannahay, anagoo haysanna xoog aan ku badbaadno.

Maaskaro, waxay yiraahdeen, markaan dibadda u soo baxayno,
Gaashaan fudud, hagaha badbaadada.
Nadaafadda gacantu waa furaha, riwaayadan,
Qoob ka ciyaar leh saabuun iyo biyo, qaafiyad nadiif ah.

Tallaalku waa iftiin, gaashaan aan qaadan karno,
Ka hortagga fayraska, masiirkayaga in la xidho.
Darbada kowaad, darbada labaad, iyo xoojiyeyaasha safka ku jira,
Sayniska asxaabteena, waa shuraako rabaani ah.

Kuwa aan la tallaal, dhegaysta baaqa,
Isku duub irbadda, ilaali mid iyo dhammaan.
Waayo, midnimadu waxay ku jirtaa awoodda aan wax ku hagaajin karno.
Farriin rajo ah, adduun laga gudbo.

La soco, runta raadi, aqoontu ha kuu noqoto.
Kutiri-ku-teenta iyo beenta, ha la beeniyo.
CDC, WHO, ATAGI, ilaha iftiimaya,
Soo bandhigida xaqiiqooyinka qaabka dagaalkan.

VID, caqabad ku sii socota si xoog leh,
Laakiin si wadajir ah ayaan u wajihi doonaa, ruuxayada ayaa duula.
Naxariista iyo caqligu ha noqdeen xiddigaha ina haga.
Safarkan safmarka ah, haba fogaadeene.

Si wadajir ah ayaan u tagi karnaa meel fog

In a world gripped by change, we gather today,
To spread awareness in a poetic array.
COVID, a silent storm, disrupted our lives,
But united we stand, with the strength to survive.

Mask up, they say, as we step outside,
A simple shield, our safety guide.
Hand hygiene's the key, in this choreography,
A dance with soap and water, a rhythm of purity.

Vaccination's a light, a shield we can wield,
Against the virus, our fate to be sealed.
First shots, second shots, and boosters in line,
Science as our ally, it's a partnership divine.

To the unvaccinated, heed the call,
Embrace the needle, protect one and all.
For in unity lies our power to mend,
A message of hope, a world to transcend.

Stay informed, seek the truth, let knowledge be your guide,
Rumors and falsehoods, let them be denied.
The CDC, WHO, ATAGI, sources that shine,
Unveiling the facts in this battle's design.

The VID, a challenge that persists with might,
But together we face it, our spirits take flight.
Let compassion and wisdom be our guiding stars,
In this pandemic journey, no matter how far.

Together we can go far
